Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In order to promote business continuity as well as provide an incentive to the management team and to certain employees of ADMA Biologics, Inc. (the “Company”), the Board of Directors (the “Board”), upon recommendation of the Compensation Committee, in consultation with an independent compensation consultant, determined it to be appropriate and in the best interests of the Company to grant retention awards, consisting of cash and restricted stock units (“RSUs”) as further described below, to (i) Mr. Adam Grossman, the Company’s President and Chief Executive Officer, (ii) Mr. Brian Lenz, the Company’s Executive Vice President and Chief Financial Officer, and (iii) certain other employees of the Company. The Board views employee retention as a key component in the Company’s ability to execute on its business continuity strategies and to achieve near-term publicly communicated operating and financial targets, particularly in light of the unprecedented operational challenges presented by the ongoing COVID-19 pandemic and the competitive work environment the Company operates in, being a pharmaceutical manufacturer of specialized biologic therapies. In particular, the retention awards have been granted against the backdrop of nationwide labor shortages and the Company, its peers and other companies outside of the Company’s industry are seeing the beginnings of increased employee turnover rates. The Company believes that the Board-approved retention program will not materially impact the 2021 Board-approved budget or the Company’s projections as a result of the Company’s year-to-date management of operating and capital expenditures, and management and the Board believe the retention program will facilitate the achievement of several milestones that will deliver stockholder value.

Retention Award Agreements

In connection with the retention awards, each of Mr. Grossman and Mr. Lenz entered into a Retention Award Agreement with the Company (collectively, the “Retention Award Agreements”).

Pursuant to the Retention Award Agreements, the retention award will be earned and become due and payable to the applicable executive upon the executive’s continued employment with the Company through March 31, 2023, or, if earlier, termination of the executive by the Company without Cause (as defined in the applicable executive’s employment agreement) or resignation by the executive for Good Reason (as defined in the applicable executive’s employment agreement) (the earliest of such dates, the “Retention Date”). The cash bonuses are subject to clawback and any unvested RSUs will be forfeited and cancelled if the applicable executive is terminated for Cause or resigns without Good Reason prior to the Retention Date. If the applicable executive is terminated by the Company without Cause or resigns for Good Reason prior to March 31, 2023, then on such date as the applicable executive ceases to be employed by the Company, any unpaid amounts of the cash bonus award not previously paid shall become immediately due and payable to the executive, any unvested Time-Based RSUs (as defined below) shall become fully vested and any unvested Milestone-Based RSUs (as defined below) shall be forfeited and cancelled.

The Retention Award Agreements also provide that if the Company announces a Change of Control (as defined in the applicable executive’s employment agreement) prior to March 31, 2023, (i) any unpaid amounts of the cash bonus award not previously paid shall be paid to the applicable executive in a lump sum at the closing of such Change of Control transaction (for purposes of clarity, whether the executive is terminated or not in connection with such Change of Control) and (ii) the Time-Based RSUs and the Milestone-Based RSUs shall become fully vested immediately prior to the closing of such Change of Control transaction.

The foregoing summaries of the retention awards for Mr. Grossman and Mr. Lenz and the Retention Award Agreements do not purport to be complete and are qualified in entirety by reference to the form of Retention Award Agreement for Mr. Grossman and Mr. Lenz, a copy of which is filed hereto as Exhibit 10.1 and incorporated herein by reference.

ADMA BIOLOGICS, INC.**FORM OF RETENTION AWARD AGREEMENT**

THIS RETENTION AWARD AGREEMENT (the "Agreement") is entered into as of September 29, 2021 (the "Effective Date"), by and between ADMA Biologics, Inc. (the "Company") and [_____] ("Employee").

Employee and the Company are parties to that certain Amended and Restated Employment Agreement, dated as of January 29, 2019, as may be amended from time to time (the "Employment Agreement").

Employee is a valued employee, and the Company has determined that it is appropriate to award a Retention Award to Employee as an incentive for Employee to continue in employment with the Company.

NOW, THEREFORE, the parties hereto, intending to be legally bound, hereby agree as follows:

1. Retention Award.

(a) In addition to amounts due and payable to Employee under the Employment Agreement, the Company is offering Employee a Retention Award, consisting of [_____] restricted stock units, as described on Schedule A hereto (the "RSUs") and a cash bonus award in the aggregate amount of \$[_____] (the "Cash Bonus Award" and together, with the award of the RSUs, the "Retention Award"), subject to applicable tax withholding requirements and the terms of this Agreement.

(i) The Cash Bonus Award will be paid to Employee in two equal installments, on September 30, 2021 and June 15, 2022, respectively.

(ii) The RSUs shall be subject to vesting as set forth on Schedule A hereto.

(b) Notwithstanding anything in this Agreement to the contrary, the Retention Award will be earned and become due and payable to Employee upon the Employee's continued employment with the Company through March 31, 2023, or, if earlier, termination of the Employee by the Company without Cause (as defined in the Employment Agreement) or resignation by the Employee for Good Reason (as defined in the Employment Agreement) (the earliest of such dates, the "Retention Date"). In the event Employee is terminated by the Company for Cause or Employee resigns without Good Reason, in either case, prior to the Retention Date, (i) Employee's right to the Cash Bonus Award shall terminate, and Employee shall repay any previously paid portion of the Cash Bonus Award, (for purposes of clarity, such amounts, if repaid, shall be net of applicable federal, state and local tax withholding), to the Company within forty-five (45) calendar days after such termination of employment and (ii) any unvested RSUs as of the date of such termination of employment shall be forfeited and cancelled. The Company may offset any amount owed by Employee to the Company under this Agreement against any compensation otherwise payable to Employee from the Company, consistent with applicable law. By accepting the Cash Bonus Award, Employee agrees and acknowledges that the Company may deduct the amount of the Cash Bonus Award from Employee's wages or other compensation if Employee's employment terminates for Cause or following a resignation by Employee without Good Reason as described above prior to the Retention Date.

(c) If Employee is terminated by the Company without Cause, in accordance with the Employment Agreement, or resigns for Good Reason, in accordance with the Employment Agreement, prior to March 31, 2023, then on such date as Employee ceases to be employed by the Company, (i) any unpaid amounts of the Cash Bonus Award not previously paid shall become immediately due and payable to Employee; (ii) any unvested Time-Based RSUs (as defined in Schedule A) shall become fully vested; and (iii) any unvested Milestone-Based RSUs (as defined in Schedule A) shall be forfeited and cancelled.

(d) If the Company announces a Change of Control (as specifically defined in section 2.5(b) for a Change of Control event in the Employment Agreement) prior to March 31, 2023, any unpaid amounts of the Cash Bonus Award not previously paid shall be paid to the Employee in a lump sum at the closing of such Change of Control transaction (for purposes of clarity, whether the Employee is terminated or not in connection with such Change of Control); and (ii) the Time-Based RSUs and the Milestone-Based RSUs shall become fully vested immediately prior to the closing of such Change of Control transaction.

(e) Receipt of the Retention Award shall not affect Employee's eligibility to receive any other retention, transition or transaction bonus that may be payable to Employee.

2. Compliance with Law. This Agreement is intended to comply with the requirements of section 409A of the Internal Revenue Code or an exemption (specifically, the short-term deferral exemption of section 409A), and shall in all respects be administered in accordance with section 409A and the terms and conditions of the Employment Agreement.

3. Creditors; Successors. None of the rights or benefits under this Agreement shall be subject to the claims of any of Employee's creditors, and Employee shall not have the right to alienate, anticipate, pledge, encumber or assign any of the rights or benefits under this Agreement. Employee will in all respects be an unsecured creditor of the Company. This Agreement will be binding on Employee's heirs, executors and administrators, and on the successors and assigns of the Company.
